JAN 21 2003

COURTROOM 302

IN THE SEATTLE MUNICIPAL COURT
KING COUNTY, STATE OF WASHINGTON

CITY OF SEATTLE,

Plaintiff,

No. 422355

v.

PETITION FOR DEFERRED
PROSECUTION; STATEMENT OF
RIGHTS

BOBBE J. BRIDGE,

Defendant.

COMES NOW the Defendant and petitions the Court for deferred prosecution pursuant to RCW 10.05, and states as follows:

1. I allege the wrongful conduct charged is the result of situational alcohol abuse caused by mental health issues of anxiety and depression for which I need treatment and, unless treated, the probability of future reoccurrence is great.

2. I agree to pay for the cost of diagnosis and treatment, if financially able to do so, subject to RCW 10.05.130.

3. I understand that the court will not accept a petition for deferred prosecution from a person who sincerely believes that she is innocent of the crime charged or does not suffer from alcoholism, drug addiction, or mental health issues.

4. I have not previously been placed on a deferred prosecution for a Title 46 violation.

5. A case history and assessment have been filed with this petition pursuant to RCW 10.05.020.

6. I understand and acknowledge I have the following rights: (a) to have a lawyer represent me at all hearings; (b) to have a lawyer appointed at public expense if I cannot afford one; (c) to a speedy, public jury trial; (d) to appeal any conviction; (e) to

ORIGINAL

1 remain silent and not testify; (f) to question witnesses who testify against me; (g) to call
2 witnesses to testify for me, at no cost; (h) to be presumed innocent unless the charge(s)
3 against me is proven beyond a reasonable doubt; and (i) to present evidence and a defense.
4 By deferring prosecution on these charges, I understand I give up my right to: (a) a speedy
trial; (b) a jury; (c) testify; (d) question witnesses; (e) call witnesses; and (f) present
evidence or a defense.

5 7. Should the deferred prosecution be revoked, I stipulate to the admissibility
6 and sufficiency of the facts in the police reports which have been admitted as an exhibit to
7 my petition and will be held under seal. I understand that in case of revocation, the police
8 reports will be removed from seal and the trial will consist of the judge reading the police
9 reports and any other documents, reports or evidence filed in this case at this time, and that
10 the judge will decide whether I am guilty or not guilty of the charge on that evidence alone.
11 If my deferred prosecution is revoked and I am found guilty, I understand that I may be
sentenced up to the maximum penalty allowed by law. To the extent provided by law, I
may seek suspension of some or all of the jail and fines on the condition I seek continued
treatment for the problems alleged in my Petition for Deferred Prosecution, and that I may
seek treatment for those problems at any time regardless of whether my petition is granted.

12 8. I understand that if I proceed to trial and I am found guilty, I may be allowed
13 to seek suspension of some or all fines and incarceration if I seek treatment. I understand
14 that I may seek treatment from a public or private agency at any time, whether or not I have
been found guilty or placed on deferred prosecution.

15 9. I understand that for some crimes, a deferred prosecution will enhance
16 mandatory penalties for subsequent offenses committed within a seven-year period and
17 understand that a deferred prosecution may be considered a prior offense under RCW
18 46.61.5055 if I am charged with driving under the influence, physical control of a vehicle
under the influence, negligent driving if originally charged as driving under the influence
or physical control of a vehicle under the influence, vehicular homicide, or vehicular
assault within seven years of the current offense.

19 10. I understand that if the court grants this Petition, I may not operate a motor
20 vehicle on the public highways without a valid operator's license and proof of liability
21 insurance pursuant to RCW 46.29.490. I understand I may also be required to install an
22 ignition interlock or other device on any motor vehicle I operate as set forth in RCW
23 46.20.720. I may also be required to pay restitution to victims, pay court costs, and pay
probation costs authorized by law and that violation of any of the above requirements may
cause the court to revoke the deferred prosecution.

24 11. I understand that if I fail or neglect to comply with any part of my treatment
25 plan or other conditions imposed by the court, then the court will hold a hearing to
26 determine whether I should be removed from the deferred prosecution program. After the
hearing the court will either order that I continue with treatment or be removed from
deferred prosecution and enter judgment. In addition, if I am convicted of a similar offense

1 during the deferred prosecution, the court is required to revoke the deferred prosecution
2 and enter judgment.

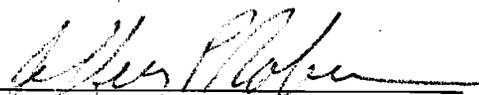

3 12. I understand that the charge against me in this case will be dismissed three
4 years from the end of the two-year treatment plan, but no less than five years from the date
5 the deferred prosecution is granted, if I fully comply with all the terms of the court order
6 placing me on deferred prosecution.

7 I certify under penalty of perjury under the laws of the State of Washington that I
8 have read the foregoing and agree with all of its provisions and that all statements made are
9 true and correct.

10 DATED at Seattle, Washington this th 26 day of March, 2003.
